

January 2018 Newsletter

*Caminitos Spanish
Playschool*

With this first newsletter of 2018, We would like to extend New Year's greetings to you all, as well as wishes for good health, peace, happiness, and success in your endeavours.

I am surprised by how much children have adapted to the playschool over the last months - setting a routine has been obviously very beneficial!

To help get back into the school routine after two weeks of vacation, we will spend much of the beginning days reviewing and then move into the introduction of new units and concepts.

Language Arts

- review the single letter graphemes
- practice correct size and formation of letters

Math

- recognize numbers to 12
- counting in order, both forwards and backwards to 12

Science

- investigate the season of winter
- observe animal/human adaptation and temperature changes

Health

- name winter clothing and activities
- discuss health practices such as hand-washing, covering coughs and sneezes etc.

Art

- seasonal projects
- engage in colour mixing, drawing and cutting activities

Phys. Ed

- moving to various beats of music and doing some simple dances
- continuing to develop body control and coordination
- Yoga classes

Vocabulary Development

Most of the time we speak in Spanish in class. This month, we will be using the following terms in class:

Hombre de jengibre: Gingerbread man

Gorra : hat

Guantes: mittens

Boton: button

Brazo: arm

Boca: mouth

Oreja: ear

Ojo: eye

Orejera: earmuffs

Nieve: snow

Hace frio: It's cold

Afuera: outside

day. Even on milder days, there is often a cold breeze and snow pants are needed to keep indoor clothing dry when the children play in the snow. Please let your child to dress by themselves.

- **Extra clothes:** Make sure your child has extra clothes for emergencies. If it is sent home because we had an emergency, please ensure you return it back.

General Notes and Reminders
